Cyber Security Escape Room Playtesting

Team Members **Bishops + Dad + Sam**

Average Age **40 something**   Playtest Date **3/9/21**

Puzzles	Hints Used	Time (min:sec)	Bugs
Puzzle 1	N/A	N/A	N/A
Puzzle 2	1, 2	15:00	See additional notes
Puzzle 3	1 2 3 4	∞	
Puzzle 4	1 2 3 4	∞	
Puzzle 5	3	∞	
Puzzle 6		∞	
Total	11	∞	

Additional Notes:
- Newspaper clipping was a distraction
- Spent time looking at lyrics, may want to remove shapes on cards, for consistency
- Remind viewers that existing Taylor Swift stuff is worth nothing.
- Wait to give notebook.
- Let them know they can write on the maze
- Caesar cipher needs better exp

Numbers in journal were misleading !!!
- Rewrite journal
- No one on this team had done an escape room
- Going very out of order.
- Don't know what they are looking for in journal
- How-to document for Caesar decoder

Out → In

- SHAPES ON CARDS HAVE TO GO
                → Too distracting
  - Read as 66, 57 NOT 66, 67
  - Move watch to second box in notebook

- Take shape off of auto sheet
- Organ Donor was a distraction
- Remove Red Herring sites
- Tell players the goal to teach cyber security
  BEFORE Saylor fun.

- Add more cyber security background to
  Mitchell script

- Change newspaper to cyber story
- Video was on the backburner to prompt
                                    Possibly rectored
                                    with video

Outside going in for everything
