Subject: Please Help me!

Dear Sir or Madam

I am sure this email comes as a surprise to you. There is(7) no need for alarm, I obtained your email legally through the trade(14) and email listings in my country. I am a wealthy prince and heir to the throne here, but great tragedy has struck my family. My uncle has grown jealous of my father, and killed him to take his place as leader of our country. He plans to kill me as(10) well, but I was able to escape under the cover of night. However, I am unable to access(1) my money due to him freezing my account. If you could send me a small sum of 4000 dollars so that I can undo this action and reveal the truth of my uncle's deception, I would be very grateful. I will repay you with(15) far greater wealth, to the sum of 1,000,000 dollars. Please, help me expose my uncle's treachery, so that I can protect my home country from ruin.

Please reply to proceed with the process(18)

Subject: What(1) is your phone number?

Dear my beloved grandchild,

Hello! It is your grandma speaking! I am writing to you on this interweb mail to let you know that I have purchased a new phone! I still have trouble with computers(7) so I apologize if any of this seems weird. I'm old! Unfortunately the doofus in charge of putting all my stuff from the old phone on the new one messed up and I lost all my photos and contacts. I think he had malicious(10) intent, that rascal! Now how can I see displays of bottle caps(18) from the museum we went to? Either way, I lost your number, sad! I was hoping you could reply to this email with your phone number so I can talk to my grandbaby again! Also if you have any photos of the two of us I would greatly appreciate you sending those as well! I lost a(15) lot of our memories together because of that ding dong at the phone store. You kids these days have no work ethic! Either way write me back as(14) soon as you can! If you are too busy you can always visit for a change and give it to me in person! Back in my day we talked to people instead of snoop chatting or chirping at one another!

Love Nana JoJo
